Mr. Nogal began the meeting by welcoming our special guests, staff, Administration and Board members. Dr. Gay provided an overview of the S4 Summit regarding career and technical education followed by introductions by all participants. The majority of the evening was spent in table discussions around the following two questions: What can District 230 do to prepare students? What can District 230 do to connect students to your organizations? Each of the six groups provided a synopsis of their discussion. The evening concluded with Mr. Nogal and Dr. Gay thanking everyone for attending and for their input which will in turn assist the District in creating pathways for students who plan to enter their respected fields immediately following high school graduation.

Upon motion by Member O'Sullivan, seconded by Member Serratore and unanimously voted, the meeting was adjourned at 8:05 PM to the next regularly scheduled Board meeting on March 30, 2017 at 7:00 PM, at Stagg High School.
